# BECOME A FAITH LIFE PARTNER TODAY!

## COVENANT (Gen.12:1-3/Phillipians 4:15-23)

An agreement between two people or two groups that involves promises on the part of each to the other.

The concept of covenant between God and His people is one of the most important theological truths of the Bible. By making a covenant with Abraham, God promised to bless His descendants and to make them His special people.

Abraham, in return, was to remain faithful to God and to serve as a channel through which God's blessings could flow to the rest of the world. In the New Testament Paul commends the church at Phillipi for supporting his needs and bestows blessings upon their lives for doing so.
